

# Being Visible

**60 Days of Positive Action.**

St. Luke's, Maidstone, 30th September to 2nd December, 2018.

## ***“Until Christ’s life becomes visible in your lives”***

*(Galatians 4:19, Message version)*

*is St. Paul’s desire for us all, so we ask every member of St. Luke’s to engage in simple acts each day to move us towards ... having the hearts of a servant (so we’re more like*

Between a Commissioning on the first Sunday (at **10.00am**, 30th September), and Final Celebrations on the last (at 9.00/10.30am and 6.30pm, Advent Sunday, 2nd December), plus 3 rest days, we offer **an easy action item for each date** (though some might mean planning that day for something happening later).

Some are for individuals, some for small groups, and a few for us as a church community together. We ask you to **do as many as you can**, and adjust any that don’t quite fit your circumstances (as well as being careful and sensitive in undertaking them all). *May the Lord work in and through us all.*

## September
