

Giving via the ChurchSuite app

While we can't do this....

We could try this....

GIVING is part of our Christian Worship and Stewardship, and many of us choose to give in a variety of different ways. Sadly it will be some while before we can resume our conventional practice of passing around a bag or plate during the singing of a hymn or worship song, as we have done for so long. So we want to help you to give to God and the ministry of St Luke's – using your smartphone.

To give via ChurchSuite app, log in with your passcode, ensure you are in the St Luke's, Maidstone MyChurchSuite section, then click on the menu at the top right and choose My Giving.

This opens your phone's internet browser at the St Luke's Maidstone page of the ChurchSuite website, where you need to add details about your gift.

It gives you a choice of funds, the option of either setting up a regular gift or making a one-off gift and provides an option to tick if your gift is eligible for gift aid:

My donations are for
General Church Fund

Here you use the dropdown options to select the fund you want to donate to (Regular Giving is a default ChurchSuite fund name) it is best to choose General Church Fund. In time, funds for particular St Luke's projects or appeals may be added.
